NEWSLETTER – SUMMER 2017

MESSAGE FROM THE PRESIDENT

Thank you for your renewal of your annual dues for 2017 (only 5% of active members did not renew for 2017). As I mentioned in my year-end newsletter, this money is used to have some discounted events during the year and to support some charities.

HELP:

I am in dire need of a volunteer to assist me in looking for fun and interesting events for the members. You would have to do some phone calls and follow-ups but the event details would still be written by the President. I am very appreciative with the help by some members for mailings and administrative work.

It does only require few hours a month and it would be super to have the help as I am the only one who plans the events in its entirety. If I do not have assistance in the near future, it could affect the longevity of the Chapter

CANADA POST'S 150 CELEBRATION!

Canada Post has enlisted the help of several distinguished Canadians to unveil 10 special commemorative stamps that celebrate the most significant moments in the life of the country since it proudly marked its Centennial. The impressive Canadians include a country music star, a world-renowned architect, successful business leaders, influential community activists, legendary athletes and an astronaut. Separate unveilings will occur, each one at a location chosen to illustrate the story behind the achievement, event or milestone that the stamp commemorates. This will also be the first time in Canada Post's history that stamps will be issued in the shape of a maple leaf.

With each stamp unveiling, videos with these notable Canadians, other key participants and archival footage will tell the story of that stamp subject on canadapost.ca/canada150.

The first of the 10 stamps were unveiled on April 27th, 2017 in Montreal. The remainder were revealed separately over five weeks, culminating with the unveiling of two stamps on June 1. On that day, all 10 PermanentTM domestic-rate stamps will be available in various formats at Post Offices and online, via mail order or phone.

I am hoping you could share this information with your colleagues and that they would share new of our contribution to the Canada 150 celebrations with their friends.
