Fraud

At this year's AGM in Windsor, we had Guest Speaker, Constable Rob Durling, from the Financial Crimes Unit. Constable Durling shared many valuable tips with us that we wanted to pass along to our members.

- He stated to always cover up your pin number when entering it into the machines.
- The chip debit cards are an enhanced safety feature as the banks are starting to eliminate the Magnetic Strips.
- The tap feature on your Debit Cards is also a safety feature. When used, the information on your card is not stored on the pin pad. There is also often a limit as to how much and how often you can use them. If the tap feature is used more than 3 or 4 times the bank will deactivate.
- With Internet banking, never save your banking information as a favourite or as a bookmark. Log into the site in full, each time you bank and always use a reputable sight. He also frowned against depositing cheques via mobile banking as they are next to impossible to trace.
- Tips to check if your US money is counterfeit:
 1. The eyes will have concentric circles
 2. There will be a ghost image of the Presidents Head when held to the light.
 3. There will be a security thread running through the money.

Recycle your old Eye Glasses

Our chapter is going to start collecting your old eye glasses to donate to those less fortunate than ourselves. Providing the gift of sight, can change someone's life. You can send them to either:

1. Bob Emmons - 12448 County Rd 34, RR#1, Maidstone, Ontario, N0R 1K0
2. Holly Perreault - 3350 Dolphin Court, Windsor, Ontario, N8R 2G7

Santa Letter Writing Program

We are once again looking to participate in the Santa Letter Writing Program. Although this program does not start until November, we are looking for chapter members to volunteer their time to put a smile on many children's faces. If you would like to take part in this worthwhile program, please let us know ASAP, so we can arrange to have Santa Letters available to be answered. All those who participate will be entered into a draw for a monetary gift. So please send your name, so we can have a record of those who are interested.

Closing Remarks

We had such an enjoyable time with those who participated at the Annual General Meeting. We would love to plan different events and functions where more of our members can join us. There will be more information to follow in our next newsletter. Can you help us? Would you like to see:

- Coffee Hours
- Golf Leagues
- Day Trips
- Monthly Luncheons
- Bowling

Please send us a message to let us know what events you and your spouse would like to take part in. We will set up a calendar of events in our next newsletter, based on your responses.

Thank you and enjoy your summer.
