SUMMARY: The little town of Holly has little to celebrate this holiday season. Even the Christmas Express has not passed their train station in years. Hilda the Station Manager has lost hope of it ever returning and everyone has lost their Christmas spirit. Expecting the arrival of an official to close them down, they are visited instead by Leo, a mysterious fellow who soon fills the town with holiday cheer. All except Hilda.

- Will they discover who Leo really is?
- Will the Christmas Express come though this year?
- Will Hilda regain her Christmas spirit?

A wonderful show for ALL AGES with a fabulous concert for Christmas music performed by singers, dancers, musicians and a large community choir.
