

Grand Saugeen Newsletter Fall Edition 2019

Summertime is always the best of what might be.” — Charles Bowden

From the President's desk

Hopefully everyone has enjoyed the survived the hot summer months as we head into the fall

We had 41 people attend our dinner at the Mandarin in Kitchener.

As the fall approaches, we have 3 events scheduled. We will be going to Pebbles restaurant by Durham. We had a great crowd last year and they have an excellent buffet.

We have arranged with Heritage Greens lawn bowling club to have our members spend an afternoon learning how to Lawn bowl and then putting your skills to the test. Lawn bowling is a sport that anyone can enjoy so I hope to see many of you joining us on that day. There is no charge to you or your guests for the day.,

Our annual dinner and dance will be held in October at Tommy Dees in Hanover. This is always a fabulous time. Once again we will have the music of Dave Schmidt.

Information for all these events are in this newsletter. We are looking forward to seeing you there. .

We also donated \$100 to Bev Bezpaly who participated on a walk for the donkey sanctuary in Guelph. We also donated \$100 to sick children's hospital on behalf of Carl Myatt who took up the bike challenge to raise money for this worthy cause.

If any of our members are doing similar events for a worthy cause please let us know so we can donate to your cause.

For the funny bone

On the first day, God created the dog and said, "Sit all day by the door of your house and bark at anyone who comes in or walks past. For this I will give you a life span of twenty years."

The dog said, "That's a long time to be barking. How about only ten years and I'll give you back the other ten?"

And God said that it was good.

On the second day, God created the monkey and said, "Entertain people, do tricks, and make them laugh.. For this, I'll give you a twenty-year life span."

The monkey said, "Monkey tricks for twenty years? That's a pretty long time to perform. How about I give you back ten like the dog did?"

And God again said that it was good.

On the third day, God created the cow and said, "You must go into the field with the farmer all day long and suffer under the sun, have calves and give milk to support the farmer's family. For this, I will give you a life span of sixty years."

The cow said, "That's kind of a tough life you want me to live for sixty years. How about twenty and I'll give back the other forty?"

And God agreed it was good.

On the fourth day, God created humans and said, "Eat, sleep, play, marry and enjoy your life. For this, I'll give you twenty years."

But the human said, "Only twenty years? Could you possibly give me my twenty, the forty the cow gave back, the ten the monkey gave back, and the ten the dog gave back; that makes eighty, okay?"

"Okay," said God, "You asked for it."

So that is why for our first twenty years, we eat, sleep, play and enjoy ourselves. For the next forty years, we slave in the sun to support our family. For the next ten years, we do monkey tricks to entertain the grandchildren. And for the last ten years, we sit on the front porch and bark at everyone.

Life has now been explained to you.

There is no need to thank me for this valuable information. I'm doing it as a public service. If you are looking for me I will be on the front porch.
