

Grand Saugeen Newsletter Fall Edition 2015

No matter where you go, no matter the weather always bring your own sunshine.

From the President's desk

We sure have gotten a lot of sunshine this summer. I hope everyone has had an excellent summer and has managed to stay cool whatever you have been doing. .

It's been a busy summer for our executive.

Our 3rd annual Kitchener office luncheon was held on June 10th at the Homestyle Restaurant in Waterloo. It was our best attendance to date. Everyone had a great time with people they had worked with for many years.

On June 24th we had over 30 golfers participate at our Golf tournament at Brookfield in Cambridge. It was great to see some different teams and golfers this year. We are hoping to see more golfers next year. It was a great day with the weather co-operating and the steak dinner is always good.

You can see pictures from these events in this newsletter as well as on the Heritage Club website.

At the end of the month Gail Bourhill attended the Presidents Meeting in Vernon, BC and came back as the web master for the Heritage Club website. I would suggest to you to check out the site on the web at www.heritageclub.ca, click on "Select a Chapter" and select Grand Saugeen and you will see the great job Gail has done with our site.

As the end of summer approaches we have plans for a Kitchener reunion of the part time and full time clerks.

As well, we will have our banquet in Hanover at Tommy Dees. Here you will hear the wonderful music and songs from our very own Dave Schmidt. We will have lots of prizes and dancing is encouraged. We hope for a good turnout at this event. For information you can contact Ron Kueneman. If you plan to attend please fill out the form in thua newsletter and return by Sept 1st.

For Your Funny Bone

Married four times

The local news station was interviewing an 80-year-old lady because she had just gotten married for the fourth time.

The interviewer asked her questions about her life, about what it felt like to be marrying again at 80, and then about her new husband's occupation.. "He's a funeral director," she answered. "Interesting," the newsman thought... He then asked her if she wouldn't mind telling him a little about her first three husbands and what they did for a living.

She paused for a few moments, needing time to reflect on all those years. After a short time, a smile came to her face and she answered proudly, explaining that she had first married a banker when she was in her 20's, then a circus ringmaster when in her 40's, and a preacher when in her 60's, and now - in her 80's - a funeral director.

The interviewer looked at her, quite astonished, and asked why she had married four men with such diverse careers.

(Wait for it)

She smiled and explained, "I married one for the money, two for the show, three to get ready, and four to go."

Tourists

A group of Canadians were travelling by tour bus through Holland. As they stopped at a cheese farm a young guide led them through the process of cheese making explaining that goats milk was used.

She showed the group a lovely hillside where many goats were grazing. "These "she explained "are the older goats put out to pasture when they no longer produce."

She then asked "what do you do in Canada with your old goats?"

A spry old gentleman in the back answered, "they send us on bus tours!"
