

Grand Saugeen Newsletter Summer Edition 2017

“Deep summer is when laziness finds respectability” – Sam Keen

From the President’s desk

I hope all of you are enjoying the beginning of summer weather. Hopefully the rain has stopped, especially for some of our northern members, who have had more than their fair share.

Thanks to those of you who have sent in your dues. It is much appreciated.

In this newsletter you will find information on changes to the Heritage Club regarding associate members.

The Grand Saugeen Heritage club will support community service by our members by donating to causes you are participating in. Therefore, if you walk, or run, work in a food bank or contribute your time to a cause in your community, we would love to donate to your cause. We would only ask that you let us know and send a picture of your participation. We may put it in the newsletter or on the web site.

In the newsletter you will find a list of activities we are planning for this year. We will once again be offering our free breakfast meetings starting with Anna Mae’s on July 18th.

This is a good time to call or message a friend or postie you haven’t seen in a while. Last year I noted on facebook two members who were saying they should get together. These free breakfast meetings are a great opportunity.

In this newsletter you will find a golf sheet wanting to know if anyone is interested in getting together for golf. The meal will be paid by you. We will subsidize \$10 to the cost for this day. There will be no prizes, however all participants will receive a Grand Saugeen Heritage club golf cap. If I don’t get any response to this then we will not go forward.

MEMBERSHIP DUES 2017

In order to fulfill our mission of “PEOPLE HELPING PEOPLE” your membership dues are essential to ensure we have sufficient funding to continue with the work of your Club. The annual fee is a modest amount of \$12.00, which equates to only \$1.00 a month. Your membership dues and our annual grant from the Corporation enable your Club to carry on its various functions. We also make donations to causes such as mental health and Alzheimer’s research. To those who paid their dues for 2016 we thank you.
