## President's Message

Hello Parkland members;

It looks like spring is trying to break through but there is still a chill in the air. I know a lot of us are looking forward to gardening, golfing and generally enjoying the warmer weather of summer, as short as it is in this part of the world. I hope this finds you all in good health although we know as we get older that this is not always the case.

I would like to welcome the many new members who have signed up to join the Heritage Club this past year, I am certain you will enjoy the benefits that come with membership. Without new members the Heritage Club could not continue.

Once again I have the sad task of acknowledging the passing of one of our original Heritage Club members. Mr. Ed Kieller was the original secretary of Parkland Chapter and served on the executive until he stepped down a few years ago. Ed dedicated many hours to this organization and was an avid volunteer especially with the Literacy program. He, along with his wife Mary, were always available and willing to help in any way they

could for the betterment of the club. Ed will be missed by all who knew him.

# Spring BBQ

## **Join us for our Annual Spring Barbeque**

We have once again booked this year's BBQ at the Devon Lions Park gazebo

### The date for the BBQ is:

Date: Thursday June 11, 2015  
Time: Noon to 4:00 (lunch at 1:00 PM)  
Location: Devon Lions Park Gazebo  
Devon AB

The park is located in the river valley right next to the Devon Golf Course.

Feel free to bring a bottle of wine, or other refreshment. This is a private park so we do not have the same restrictions on alcohol as we do with public parks

This BBQ is a fun event, and is very well attended.

The event goes "Rain or Shine" – the gazebo provides excellent shelter if it rains

### Cost of the BBQ is:

- \$10.00 per person for paid up members and spouses
- \$ 15.00 per person for non-members

If you would like to attend, but require a ride, or need additional directions to the park, please contact any of the executive (see the list of club executive members at the back of this newsletter).

**Please complete the BBQ Attendance Registration form enclosed with this newsletter, and send it along with your payment to the Heritage Club office, at the address indicated.**

Our golf group will be up and running again this year, with the intention of organizing one golf outing per month for interested members.

There are no serious golfers here..... Just a bunch of posties out for some fun on the links. Come out and enjoy a fun round of golf with some of your old friends, and other retired Canada Post employees.

## Post Offices of Central and Northern Alberta.

This issue will start a series of historical looks at post offices in Central and Northern Alberta. Over the years more than two thirds of the original post offices in Alberta have closed. Many of them have very interesting histories. For this issue, I have taken at random 3 post offices that have now closed, and 3 that remain open, and provide a bit of history for each.

Much of this history is taken from a book titled "Post Offices of Alberta 1876 - 1986", written by Neil Hughes of Edmonton. Sadly Mr. Hughes passed away in 2013. Mr. Hughes was an avid stamp and postmark collector. He spent 3 summers in the 1980's

travelling Alberta stopping at all the current and former post offices, collecting information about the office origin and history. I have also used the Government of Canada Library and Archives, and in some cases municipal websites and Wikipedia to verify and complete the information.

If you are aware of any errors or omissions in the histories presented here, please let us know. Also if there is a post office you would like to see featured in these articles, please let us know. We can be contacted by email at [parklandheritageclub@gmail.com](mailto:parklandheritageclub@gmail.com), or by mail at Heritage Club, 12135 - 149 St. Edmonton AB. T5L2J0

### Closed Post Offices

**Hercules AB.** Opened 1913 -  
Closed 1969.

A small hamlet in Strathcona County a little south-east of the present day Anthony Henday and Highway 14 interchange. Was also the post office for the hamlet of Bretona. The hamlet was named after the first postmaster E. Hercules Murphy. Other postmasters were Michael Murphy, Sep Savage, Joe Weismantel, and the last Postmaster Daniel Teske (1956 - 1969)

**Mapova AB.** Opened 1930 -  
Closed 1968

A small farming area 10 miles west south west of Newbrook AB. The post office name was derived from the first letter of the

names of the first 3 settlers in the area, Musklak, Alho and Povawick. The first postmaster was George MacGregor. Other postmasters were Charles Schick, Leo Hemming, Joan Alho, and the last postmaster Violet Turner (1965 - 1968)

**Venice AB** Opened 1916 -  
Closed 1970

A small hamlet on the rail line south west of Lac La Biche near Lake Missawawi. The post office was named by the first Postmaster Olive Jos Peter Biollo who came from Italy in 1902. Other postmasters were Miss Regina Biollo, Mrs. Annie Biollo, Mrs. Della Piquette, Mrs. Elizabeth Fornari, and the last Postmaster was Mrs. Fleurange Lefebvre (1963 - 1970).

## Current Post Offices

### **New Sarepta AB.**            Opened 1905

A village south east of Edmonton on Highway 21. The village is named after the biblical town of Sarepta, a Phoenician city on the Mediterranean coast between Sidon and Tyre, mentioned several times in the bible including The Book of Kings, and Luke's Gospel. Many may recall the Edmonton Journal cartoonist Yardley Jones often featured New Sarepta, often asking where is Old Sarepta? - so now you know. The first postmaster was P.Elliott from 1905 to 1913. The post office was temporarily closed in 1913, and then reopened in the same year with Rev R. Reimer as the postmaster. Other postmasters were Gustave Henkleman, Alice Knopp, John Knopp and Myrtle Lehman.

### **Altario AB.**                    Opened 1911

A small community on Highway 12 near the Alberta Saskatchewan border about 50km east of Consort AB. Originally on the railway line that served that area. The post office name was derived by a combination of the names Alberta and Ontario. The community had previously been called Wilhelmina, after the daughter of the first postmaster. The name was deemed too hard to spell, so the village was renamed in 1914 first to Bideford, then Saskalta, and finally to Altario. The first postmaster was P. Robinson. Other postmasters were Duncan McLeod, David Thomas, Palmer Swanson, Frank Formanek, Agnes Kreiser, James Donovan, Audrey Coates, Rolf Mandseth and Clifford Long

### **Innisfree AB.**                    Opened 1905

A small community on Highway 16 (Yellowhead) about midway between Vegreville and Vermillion. The Post Office was originally opened as Delnorte, but the town was renamed in 1907 to Innisfree.

After the Canadian Northern Railway was completed, Sir Edmund Walker, then President of the Canadian Bank of Commerce, made a cross Canada tour of the area on the newly completed railway. Upon stopping in Delnorte, he was taken on a tour by James Hunter, mayor of the village. They walked to the top of the hill to the south of the village where a considerable area could be viewed, and the story goes that Sir Edmund was very impressed with the beautiful view and Birch Lake. He stated that it reminded him very much of the Scottish town of Innisfree. Mayor Hunter is reported to have stated that the town would welcome a branch of the Canadian Bank of Commerce. Sir Edmund assured him this could be arranged, if the name of the village would be changed from Delnorte to Innisfree. The bank was subsequently built and is currently being used as the Innisfree Prairie Bank of Commerce Museum

The first postmaster was John Norris. Other postmasters were Bruce Gibbons, Rand Gibbons, Percy Thompson, Bill Taylor, Lessia Napora and Henry Stasiuk

## Did you Know ?

If a worker ant has found a good source of food, it leaves a scented trail that other ants can follow. Sweeping or mopping is not enough to eliminate the scent. Instead mix one part vinegar with three parts water in a spray bottle, then spritz whenever you see ants.

The Cheetah is the fastest land animal in the world. In a mere 2.5 seconds it can accelerate to a speed of 70 kilometers per hour, and it can reach a top speed of 100 kilometers an hour, but cannot sustain this speed for long.

## Words to Live by:

- Remember that you are too blessed to be stressed.
- Life isn't fair, but it's still good.
- Don't take yourself too seriously. No one else does.
- No one is in charge of your happiness except you.
- Frame every so-called disaster with these words: 'In five years, will this matter?'

You know your children are growing up when they stop asking you where they came from, and start refusing to tell you where they're going.
