# Always Ask!

Senior discounts are not always openly advertised. It is recommended that you ask about whether or not the store offers the discount every time you make a purchase.

# Do You Qualify?

Most senior discounts are open for everyone, but please note that some discounts require CARP membership. CARP is an exclusive association for Canadians age 50 and above, with an annual membership fee of \$19.95. Discounts requiring CARP membership will be indicated clearly for you below.

# Carry ID!

Always carry ID so you can prove our age when asked. Every discount in this book contains the required minimum age so you know if you qualify for the discount.

# Improve This Book!

Something changes daily in this crazy world, and we need your help to keep up. If you know a discount we should add, or if you see incorrect information here, send us an email at [deals@coupon65.com](mailto:deals@coupon65.com) and we will correct it right away.
