Frequently asked questions:

- Can I keep my number?
 - Yes you can keep your current TELUS phone number on renewal or bring a number from another carrier if you are new to TELUS. If you are porting from another provider, we must have the account number to submit the transfer.
- How do I transfer my number to TELUS from my old provider?
 - Your device will come with a sticker on the box indicating the final process to complete the transfer. It is similar to activating a credit card at home and takes only 30 seconds.
- Do I have to call my other carrier to cancel?
 - No. Once you finish the transfer process your other service provider will automatically cancel.
- Can I have a second corporate account?
 - No. Each employee is eligible for one Corporate Account with one line receiving the 30% Employee Discount.
- How does the 30% Employee Discount work?
 - The 30% Discount has already been applied onto the flyer. When you receive your service agreement for the Primary Line, this discount will not show. The line must be active with TELUS Corporate before the discount can be applied. You will see the 30% discount on your monthly TELUS bills.
- Why do I need to input my Drivers Licence or SIN?
 - One or the other is required by TELUS to complete a credit check along with your Date of Birth.
- My service agreement shows a \$30 recurring charge for connection fee?
 - This is a one time charge at activation and not re-occurring, and not able to be waived
- What if I have billing questions?
 - Billing questions and concerns can be easily resolved with TELUS Client Care directly by calling 611 from your mobile or 1-866-558-2273.
