

Brunswick/Abegweit Chapter Update January 2022

Brunswick and Abegweit Chapters have been without a local executive for several years. Management of the membership list was entrusted to Terra Nova (NL) Chapter in early 2019. In order to facilitate administration, and particularly due to the small number of members in Abegweit, the decision has been made by the National Executive to merge these two chapters into one entity, now known as Brunswick/Abegweit.

While it is disappointing that no one has stepped forward to take on a leadership role, it is good that a significant number of members have shown that they wish to continue their active association with the Heritage Club. These members clearly see the benefits of participation in the Club, and we continue to hope that eventually a core group will get together to resume local leadership. Projects could then be planned to benefit local community and provincial service organizations.

If you can see yourself taking some role in this rejuvenation, please contact Eldred Holmes at 709-753-4231 or holmese@nl.rogers.com for assistance in getting started.

Membership and Dues

Annual membership fees for the Heritage Club are \$10.00 per year, and are due now for 2022. A renewal form is included for your convenience. Please complete the questionnaire and return with your payment in the envelope provided at your earliest convenience.

This year the questionnaire also includes a section where you can indicate if you wish to discontinue your membership in the Club, and receive no further communication from us. While of course that is not what the Club wants, your negative response will help to authenticate the membership lists for Brunswick/Abegweit Chapter.

Please note that correspondence other than the annual newsletter will only be sent to active, ie. dues-paying, members. In addition, you will need your membership number and you must be an active member in order to take advantage of any Heritage Club discounts.

Associate membership is available to the interested spouses of current members, and to surviving spouses of deceased members who wish to receive correspondence, and keep up with news from their friends in the Club. Paid up Associate Members will be issued their own membership number. If you wish to take advantage of this opportunity, please advise El Holmes.

Discounts and Deals

Membership discounts have been negotiated with Johnson Insurance for home and auto policies, and if you plan to travel a bit, their MEDOC travel plan is a great choice. Recent enhancements to the MEDOC plan have made their coverage even more attractive.

A substantial member's discount is available at all GoodLife Fitness locations. Please note that you must purchase your membership on-line, not at the gym, and you will require your Heritage Club membership number to participate. Details on Heritageclub.ca, under "Partners".

The Heritage Club has a partnership with Choice Hotels Canada, including Choice, Comfort, Quality, Clarion, and others. Full details are on our website.

Also available on the website is information about discounts available on travel opportunities from Collette Travel.

Remember, you must be a Paid Up member to take advantage of any of these offers.

Volunteer Activities

Of particular interest is the annual Santa letter campaign. Heritage Club members across Canada responded to 186,000 letters in 2018 alone. This is a project which would struggle to survive without our active participation. Again, if you would like to take a lead role in the 2022 campaign for New Brunswick or PEI, please contact El Holmes. At the very least, we encourage you to contact your local post office in November and volunteer your time on this wonderful project. And if you already answer letters, thank you, and we hope you continue to participate.

The primary charity of the Corporation is the Canada Post Community Foundation. The focus of their efforts is to distribute grants to community groups which offer direct support to programs, initiatives and activities that benefit children. Donations can be made throughout the year, and once a year the Foundation distributes funds to worthy organizations. The Heritage Club fully supports the fund-raising efforts of the Foundation, and we encourage our members to participate wherever you can.

In particular, please note the prize draw included in this bulletin. The Chapter will match whatever funds are raised from ticket sales, so that you can participate in the valuable charity work done through the Heritage Club and the CPC Community Foundation. The lucky winner of the Darryl Sittler print in 2021 was Francois Doucet, Dieppe, NB.

There are many ways to give – whether through the CP Community Foundation, through your local church or service group, hospital foundations, or food bank. Take a look around your community. You may be sure that there are very real needs that you can help to fill. If each of us volunteers an hour, great things can be accomplished.

Scholarship Program 2022

The Heritage Club Scholarship Program has just completed its fourth successful year, and over the past four years we have had the privilege of assisting thirteen deserving young people with their university education. More information about these fine young people is posted on our website, at heritageclub.ca, under Links. We are proud to support them in their future endeavours.

The H.C. Scholarship Program is open to dependent children and grandchildren of all active (dues paid for 2 years) members of any Heritage Club Chapter. The Club will be offering three scholarships valued at \$2000.00 each. The full application package is available on the website, and the closing date for applications for the 2022 Program will be June 30, 2022. If you have trouble accessing the forms, please contact the program coordinator, Eldred Holmes, directly at holmese@nl.rogers.com.

Heritage Club members and their families are also eligible to apply for scholarships from Johnson Insurance. Information is available on our website. Please note that you do not have to be a customer of Johnsons, just an active Heritage Club member.
