National Update

Gord advised the most recent financial commitment from National is a “Seed Money” deposit in the amount of \$1,500. We are fortunate that in these financially challenging times there is some financial support. The Corporation is again not contributing to Heritage Clubs, however, there may be minimal offering for a large mailing on an application-by-application basis.

The Heritage Club Scholarship Program remains in place. For those of you with family in the post-secondary demographic, please visit [Heritage Club Scholarship Program](#) for additional information.

The Santa Letter writing campaign is again in question. Once there is any announcement information, it will be cascaded.

Our Golden Sheaf National Membership File shows nearly 400 potential active members. For 2026, our chapter had under 90 paid, active members. Please consider reaching out to your fellow retirees, share what we do and what we have the potential to do and encourage their membership and participation in our chapter so we can reconnect, make new acquaintances, grow and thrive.
