

President's Message:

Well, the big news is that the Spring Luncheon brought about the establishment of a new Chapter Executive. Paul Pelletier has agreed to stay on as Treasurer. Janet Pullen as Secretary and Eileen Hay as 3rd Vice President.

PresidentKathy Brosch

We had a great turnout , 49 people in attendance and 3 were absent due to illness. As people entered we gave a book of stamps to each attendee. People were generous in their donation for the "Tin For The Bin" (Agape). We raised \$340 in the 50/50 draw. \$170 for the Club and \$170 broken down into 3 descending amounts. We also had 7 draws for First Day Covers. The food was once again delicious and the fellowship delightful!

I would like to say that it is much appreciated that some of the Executives are staying on and helping with the continuity of our Chapter. I would like to thank Eileen Hay for her time acting as President to keep the Chapter going. I also want to say I was very grateful that she let me tag along and learn the job before I took on the responsibilities of Chapter President.

As per the Heritage Club Manual(pg 24), the elections are EVERY year. 2027 will be for 1st VP,3rd VP and Treasurer. On the even year (2028) the election will be for President, 2nd VP and Secretary.

As there has been some difficulty in getting members to stand for Executive positions. I would like to tell you that there are some reimbursements for executive duties. Your tickets to the functions will be covered by the Heritage Club Fund. Most important is knowing that fulfilling the positions that make a Chapter Executive, keeps the Chapter going. We are working together to support one another to keep Heartland/Cambrian going. **Remember the Heritage Club slogan: People Helping People.**

This year a zoom meeting was held on June 25, 2026 by National with invitations for Chapter Presidents to join. The important news is that we are now working with CPC on such things as the Santa letter writing campaign. We also received a cheque for \$2000 in seed money. We were encouraged to use Publication mailing to help with cost of mailings.
