in, including braille! Well done elves! If you would like to participate in this fun program, please contact Diane Biggs or Bernie Joosten. Nothing gets you in the spirit of the season like a child's heartfelt letter to Santa!

SCHOLARSHIP PROGRAM 2019

This inaugural year of our new Scholarship Program was very successful. We saw three scholarships of \$1,000 each awarded to three remarkable young women, and we wish them all every success in their university years and beyond. What was most impressive about all of these recipients was their ability to achieve high academic standards while still enthusiastically participating in their chosen sports activities, volunteering in their communities, and taking responsible positions for benefit of others. Their initiative is to be applauded, and we are so happy to be able to help them on their way.

All three of these young ladies are a credit to their families and their communities. It is our very great pleasure as a Club to be able to give them a small boost on their chosen paths.

Congratulations to all, and we wish you every success in the future.

2018 Scholarship Recipients :

- **Kathleen (Katie) Myatt**, of Hanover ON is the granddaughter of **Grand-Saugeen member Carl Myatt**.
- **Elizabeth Lang**, of Edmonton AB, is the daughter of **Parkland member James Lang**.
