PRESIDENTS MESSAGE

First, I wish to send a big thank you to all our members who continue to support our Heritage Club – Humber Chapter. Thank you for paying your dues, we are a NON-PROFIT CLUB who depend on the dues to be eligible for Seed Money from Canada Post Corporation. They evaluate the clubs by how much we collect in dues payment as well as our tireless volunteer work throughout the year and for making the Humber Club – a welcoming place to attend.

Our Motto “People helping People”.

Volunteer Hour Request Form

We require these numbers for our annual scorecard activity report, which is submitted to our National Executive in February. The Scorecard helps us with funding from Canada Post and enables us to discount our functions. The volunteer sheet will be in October to achieve a more accurate representation of the volunteer work our members complete for the same year. Thank you for your understanding and a special thank you for all your help in achieving our goals.

Also, please indicate the number of years that you have volunteered. We would like to recognize our members who have volunteered for 5, 10 or 15 years etc.

I also wish to acknowledge and thank our executive team members for their continual work in our organization and participation in support of the Heritage Club – Humber Chapter. If you are interested in joining the executive team, please call me at 905 487-4311 to learn about more open positions.

Diane Biggs and your Executive Team

2024 PAST EVENTS

SPRING and FLOWERS at the Mandarin April 17, 2024

We had a sensational Spring luncheon In April with over 70 of our members joining us to celebrate Spring at the Mandarin. We appreciate your ongoing support to our outings.

Stay tuned as we will be celebrating the warm summer air this June. Posters will be going out this month.

To see pictures from our luncheon, visit our website at <https://heritageclub.ca/humber/> and select '**GALLERY**'.

Take Note: Due to the long line-ups at the door, The Executive, as well as myself, have decided to have a separate listing for our next event. What that means is paid up members who have sent their payment in early for the event will be on this list and will not have to wait in line for a table. They can go to the front of the line and give us their name that they are on the paid-up list. Hopefully this will make it more convenient for all our members, instead of having one line there will be two lines. Also, faster for those who prefer to pay at the door.
