President's Message

Dear Members,

I hope everyone had a great Christmas! It has been a long winter with a lot of snow. I also wish everyone great health and happiness! Remember to not give up hope and stay positive.

Canada Post was generous in providing grant money to the Heritage Club for the past thirty-five years. However, because Canada Post has incurred significant annual losses since 2018, fuelled by rapid changes in the postal and parcel delivery sectors, high labour costs and legacy regulatory measures. This reality has threatened support from Canada Post to the Heritage Club, and the seed money to the club has been suspended as of beginning of 2025. ALSO, FREE POSTAL MAILING PRIVILEGES HAVE BEEN TERMINATED FOR NOW UNTIL FURTHER CONSIDERATION and pending future financial improvements.

We have increased our annual membership fee from \$10 to \$20 a year as of 2026. We start collecting in September for the following year. **If you have not sent in your 2026 membership fee, please do so now. To save mailing costs we mail out one hardcopy of the newsletter once a year to all members. The other three quarterly newsletters will be e-mailed to the paid members only that we have email addresses for. PLEASE PROVIDE US WITH YOUR E-MAIL ADDRESS IF YOU HAVE NOT DONE SO.**

I am forever grateful to my colleagues still working at the Post Office for allowing me and my team to print our newsletter at South Central and to have a place to work on the newsletter. This has been at the discretion and generosity of the Production Control & Reporting Manager, **Lia Mougoussidis**, and Plant Director, **Troy Seto**. We hear the good news that Mr. Troy Seto has been promoted. The new Plant Director is **Zifaan Jaffer**. Their kindness and support have saved Simcoe Chapter money on printing costs, allowing us to give generously in our annual charitable donations. Thanks to everyone who made this possible, especially our number one supporter **Jason Langford**, superintendent of RVU, who has been so kind and extremely helpful to us. Jason printed **Heritage pamphlet** about the club for us and has ensured that it is available in the lobby for potential members.

2025 marks the 36th anniversary of the Heritage Club, a club dedicated to fostering camaraderie among retired employees of Canada Post. Our motto is “**people helping people**” and we strive to give back to society through volunteerism and supporting charities. I want to thank everyone who renewed their club membership this year. We are grateful for your continued support. The Heritage Club is for anyone

and everyone who worked for Canada Post from different jobs, ranks, unions or associations. We are all equal. We provide enjoyable social events and offer support to one another and people in need.

If you are not a paid member, I encourage you to join. We have been growing our membership, and I am happy to report that Simcoe Chapter gained fifty-three new members 53 in 2021; 49 in 2022; 66 in 2023, 54 in 2024; **32 in 2025**. As of December 31, 2024; we have 289 PAID ACTIVE MEMBERS (out of 814 active members) and 71 PAID ASSOCIATE MEMBERS (out of eighty-eight associate members).

As of December 31, 2025 we had 275 paid active members and 63 paid Associate members.

The seed money we used to receive annually from Canada Post was based on the number of Paid Active members. In 2024 we received \$2,500 Seed money from Head Office Canada Post, plus another \$500 from Canada Post achievement Award for Simcoe Chapter in the category of Camaraderie (to acknowledge the Simcoe Chapter President's and Treasurer's achievement). **Our Club needs your support more than ever! If you know of colleagues who have retired or will soon be retired, please tell them about the advantages and positive experience you have with the Canada Post Heritage Club.**

This is a reminder to all members to provide your current email address and if you move, PLEASE inform us of your new home address and telephone number as this ensures you continue to receive our newsletter. As a paid member, you will receive discounts for: our luncheons and bus trips; up to 35% off home and auto Insurance from Belair Direct; and Goodlife Fitness memberships. Membership also includes scholarship opportunities of **\$2,000 for your family members from the Heritage Club(application open on March 15 and ends on June 30; all completed application form and required documents must be post marked by June 30)**, as well as fifty scholarships of \$1,000 each for your kids and grandkids from Belair Direct.

I hope the newsletter we put together provides you and your family with useful information on our future social events, the contact information for our benefits, and maintains the ties between you and your colleagues.

The Simcoe Chapter Heritage Club is run by volunteers, mainly Anna Huang and Treasurer .

I am sorry to announce that our Treasurer Mrs. Leely Chong has decided to step down. Mr. Wai Chan has replaced her as our new treasurer. Anyone has good constructive ,achievable, suggestions and willing to offer solutions and their voluntary time are welcomed. It is always great to see you come out and join us at our events and meeting new and old members. Your participation and support are appreciated. The positive feedback from our members is always encouraging.

I want to thank everyone that came out to our Christmas luncheon . Our ex-Treasurer Leely Chong , Mary Mark and Margaret Wang for receiving the guest and informing their table assignment, Michael Musing for ushering members to their table, Jessica Lui , Frank Agresti for taking photographs, Wendy Kabalo and Annette Buchanan for taking the Food bank and Toy Mountain collections. Claire Andrews and Robert Borden for collecting and selling the Raffles for 50/50 , Gift draws. Wai Chan for putting together the Simcoe Chapter banner and supporting me with running around and making sure things are running smoothly.

This is our 2026 yearly one printed mail-out newsletter to all members .So I apologize for some repeated information. It is intended to sum it all up and catch up with everyone.

Anna Huang
President, Simcoe Chapter

Mr. Holmes was pleased with the responses received in 2025. He said the quality of the applicants is always exceptional, making the choice a difficult one that often comes down to the finest details.

We owe a great deal of debt and appreciation for Mr. Holmes dedicated service and wealth of knowledge.

2025 Heritage Club Scholarship Winners

We are thrilled to announce the results of our 2025 Scholarship Program. Once again, the judges have been pleased with the interest in our program and more than impressed with the quality of the candidates. All our applicants have notable resumes, and as always, the choice has come down to the smallest of details. We offer our congratulations to all our candidates, and particularly to these three individuals as they pursue their studies and move forward in their chosen career paths. Wherever they go, they will be a true asset to their communities. At this time, we would like to also acknowledge the invaluable contribution of our judging committee, who each year sacrifice a portion of their summer to make this program a possibility. Thank you to all who have participated over the past eight years.

Liam Cull

Liam Cull is the grandson of Terra Nova member Freeman Cull, and hails from Roddickton, NL. Those who believe that opportunities are limited for residents in smaller communities have not reckoned with Liam Cull. With an academic average of 99% - impressive enough on its own – Liam is an integral part of everything happening in his community. His achievements include Student of the Year, Volunteer of the Year, Male Athlete of the Year, as well as scholarship, academic and merit awards, all while working part-time and tutoring younger students. He plays and coaches multiple sports. His reference letters from school and municipal representatives speak highly of the huge contribution that he has made to his community through his volunteer efforts. Liam has chosen nursing as his career, and as he enters Memorial University to pursue those studies, we are confident

that his patients, his community, and his province will all be better because of his participation. Good luck, Liam, and congratulations on everything you have achieved so far.

Sidney Metcalf

Sidney Metcalf is the granddaughter of Stewart Metcalf, longtime member of Thames Chapter. Sidney is an exemplary candidate who has combined high academic achievement with volunteer activities in her school and community, playing and coaching basketball, and carrying a part-time job through her final year of high school. All these experiences have defined her can-do attitude, which she recognizes has added immensely to her personal growth. She is also grounded enough to realize that self care is also invaluable to a healthy lifestyle and is careful to address that with activities to enhance her personal wellbeing. Sidney will be entering King's University College to study Social Science, and we believe that she has every chance of being a very successful student. Congratulations, and good luck, Sidney!

Henri Roy

Henri Roy is the grandson of Russell Hart, member of Brunswick/Abegweit Chapter. Henri has maintained an average of mid-nineties throughout high school, with a particular interest and aptitude for mathematics. He has won numerous math competitions. Henri also has 12 years of classical violin studies. He is invested in community sports activities, having played and coached soccer and started a basketball club for the francophone students in his area. His efforts in this area have expanded to now include a senior basketball club. His volunteer efforts in the community also include innovative ideas to raise funds for Ukrainian relief funds. Henri will be entering Queen's University to pursue a career in engineering. We trust that this scholarship will assist him in the pursuit of those goals. You have made a great start, Henri. Congratulations, and good luck!

Belair Direct Insurance Scholarships

Belair Direct Insurance offers **fifty scholarships** each year, valued at \$1,000.00 each, to eligible students completing high school in 2026 and starting post-secondary education in the fall of 2026. **Application open April 30, 2026, with deadline date of June 30, 2026.** To learn more of Belair Direct Scholarship Program, scholarshipfund@belairdirect.com or call 844-567-1237.

Santa Letter Program

The Santa Letter Program started in 1982 and would not exist without the support of our Heritage Club members.

In 2023 Canada Post received about 1.4 million Santa letters. There has been an increase in overseas letters with 50,000 from Japan alone since 2021 and as a result there is a special postcard that we have prepared for the Japanese market. Anna Huang contacted 2025 Santa volunteers, and their names and contact information were forwarded to the National coordinator for Santa Letters Program. Thanks to our dedicated volunteers for their continued support for year 2025. I want to acknowledge the volunteers: Janice Adams, Frank Agresti, Claire Andrews, Dennis Bay, Roxane Bay, Cheryl Billingham,

Steve Bryers, Patricia A Byrne, Dominic Capalbo, Carol Anne Carpenter, Julia Chan, Dianne Civello, Susie DeFranco, Violet Duz, Sylvia Fercec, Mary Giernot, David Ing, Jean Lamanna, Brian Lithgow, Christine Ludlow, Lily Lai Fong Ng, Bob Mark, Peggy Mark, Susan McNeil, Sean McInerney, Claudette Nadeau, Georgia Nayyar, Valerie Fortune Niddery, Wayne Niddery, Marion Parisien, Irene H. Notes about Travel Insurance and paid member discount

A word of advice, please do not wait until few days before you are travelling to join the membership and expect a discount on your travel insurance. Heritage Club are operated by volunteers, and the newly PAID membership are submitted **once monthly** at end of each month. You must allow enough time for your membership application and fee to be processed prior to the end of the month. In other words, if you plan to travel in October, ensure you pay your membership in August; so, your name will be submitted in September ;allowing ample time for processing your travel discount.

There is also no advantage in paying for membership as late into the year as possible. The yearly membership is twenty dollars (up to 2025, new rate is \$20 from September 2025 toward 2026). Membership is for January 1 to December 31, no partial payment and is due every October for the following year.

GoodLife Fitness: discounts up to 50% off the regular all club access rates. You must join the Heritage Club and be a Paid member before signing up online and ask for corporate representative, then ask to join under corporate membership for Heritage Club rate as well as waive the \$99 annual membership fee.

Newsletter Distribution

This newsletter is produced quarterly and is distributed **via email** to every **paid active** member and paid associate who has paid their annual dues to the Chapter. Since Canada Post have stopped providing free mailing privileges to the Heritage Club. We regret that we could only send the newsletter via email. **A general distribution is made once a year to every member who has applied for general membership to the Heritage Club in our Chapter area.**
