

September 2020 Bulletin

Hello everyone,

We hope you're all keeping well, and retaining your sense of humor amidst all of the changes and upheaval we're going through. As it's been said many times, we're being asked to stay home – not an impossible task, just really inconvenient.

So that brings us to the 25 Year Club, and where we go from here. According to public health guidelines we can now gather, with restrictions. So the question for us is “do we?” Is the desire to keep the Club active and functioning a strong enough motivation to persuade people to come out to a meeting, an activity, or a social gathering? I guess we're going to find out.

Our normal September meeting is scheduled for **Wednesday evening, September 30th, at 7:00 p.m.** The Legion on Blackmarsh Road has agreed to give us the large hall for the evening, to allow us to physically distance as required. There are a number of items to consider as we go into the fall season, among them:

- Election of officers for the Terra Nova Chapter, Heritage Club, deferred from May 2020
- Janeway Telethon, now rescheduled for October
- Dinner meeting for October
- Santa Letter campaign
- Christmas Luncheon at Clovelly, tentatively scheduled for December 10th
- Resumption of regular meetings

Your executive would welcome your presence at this meeting and we will be there to greet you, but we completely understand if you don't feel comfortable coming out. We encourage your feedback on any or all of the topics listed, and

hope that you will communicate either by email or by phone prior to the date to let us know what you think. We're very aware that the group of people we are seeking to engage is the group who are potentially most at risk from the coronavirus, and while we believe that it is important for us to maintain social contact, we also don't want to put anyone at risk. The rate of infection in our area is low enough at present that we believe it could be worth trying. Please, tell us what you think and we'll go from there.

And please, if there is anything that the Club can do for you personally, be sure to let one of us know. We'd be happy to help out.
