Henry Masek  
Canada Post Heritage Club

Dear Henry,

On behalf of The Salvation Army, we would like to sincerely thank you for your tremendous support of the 2020 Christmas Kettle Campaign. With the dedication and help from you and Canada Post Heritage Club, we were able to provide approximately 4,500 food gift cards to local families this past Christmas and nearly 6,000 children received toys. The funds that are raised at the kettles help make a difference to the thousands of families and individuals in our community that look to us for help during Christmas and throughout the year.

As you know, we faced many challenges due to Covid-19 and the restrictions that were put into place during our campaign unfortunately affected our success. Although we were unable to reach our goal of \$550,000, we are pleased to share with you that we raised over \$450,000, which is wonderful considering the circumstances. Once again, we could not do what we do without your help!

Our calculations indicate that \$862.25 was raised at the kettle location that was staffed by your volunteer group over the course of the kettle campaign.

We are extremely thankful for all your hard work and commitment to supporting The Salvation Army and we look forward to working with you again this year.

Thank you once again for helping us help others!

Sincerely,

Your London Christmas Kettle Campaign Team
